Soil the seven seas with Voyager, the ultimate sea battle game. You command the Nimatz air craft carrier - pride of the fleet, with its 200 aircraft you have all the fire power you need. Its weaponry consists of bombs, torpedos, missiles, cruise missiles, and killer submarines. It is equipped with radar, sonar and electronic counter measures. Face enemy destroyers, battle ships, submarines, helicopters and air craft. Enter the sea maze if you dare. Use your intelligence and skill to best your opponents.

VOYAGER... A new experience in video games...
